

CUSTOMIZED SERVICE

Customer Solutions

Allstates WorldCargo realizes that every customer has unique supply chain demands. We strive to provide our customers with superior worldwide transportation services that are customized to their requirements. Since 1961, Allstates WorldCargo has been conforming our service offerings to deliver exceptional service, leading-edge technology and competitive pricing to our customers, which provides our customers a competitive advantage in the supply chain.

TIME CRITICAL SOLUTIONS

Allstates WorldCargo team experts are an extension of our customers logistics department. Whatever your time constraints are, Allstates WorldCargo can find a solution. We will not give up until we find a solution that meets your time critical needs.

WHITE GLOVE SERVICES

Allstates WorldCargo specializes in creating services that conform to our customers' needs. We provide a list of services that our customers choose from that will meet the demands of their customers' needs.

PROJECT ROLLOUTS

When our customers have a project that requires simultaneous deliveries, the Allstates WorldCargo team is there to ensure success. Allstates WorldCargo has been providing rollout services for over sixty years and will customize their expertise to meet your needs.

TRADESHOWS

Allstates WorldCargo understands the complexity surrounding tradeshow services. Not only will Allstates WorldCargo ensure on time delivery for booth set up, but we will also warehouse the booth in between tradeshow and ensure on time delivery from show to show. Allstates WorldCargo will manage the return of the booth and schedule the delivery for the next show. Allstates WorldCargo attends the tradeshow events to ensure our customers' success.

RETAIL SOLUTIONS

Allstates WorldCargo specializes in providing our retail customers with individual solutions. We provide customized delivery schedules, information technology requirements based on their customers' needs, store renovations, kitting requirements, tote return programs, quality assurance programs, and retail display rollouts.

REVERSE LOGISTICS

Allstates WorldCargo supports our customers with their product return needs as well as the need for visibility to the product, and transparency throughout the return process. Our team experts provide return logistics solutions to support our customers' unique demands.

TRANSBORDER SERVICES

Allstates WorldCargo provides transborder expertise for our customers. Canada and Mexico are important trade partners to the United States and Allstates WorldCargo has built an infrastructure to support a successful transborder service for our customers. Our extensive business partner relationship allows Allstates WorldCargo to provide transborder transportation and cost effective border crossing capabilities for our customers.

Contact your local Allstates WorldCargo representative for additional information regarding customized transportation solutions for your business needs.
